PROFESSIONAL SUMMARY

Proactive and resourceful Computer Science student Possesses practical experience in taking a project from conceptualization through deployment, including requirements gathering, feature design and system architecture. Highly effective in time management, cross-functional collaboration and utilizing agile principles to deliver robust and user-centric technical solutions. Proven ability to translate conceptual requirements into functional, deployed applications, demonstrating effective problem-solving and system design skills.

EDUCATION

2023 - 2027

VSB ENGINEERING COLLEGE, KARUR

- B.E - Computer Science and Engineering
- CGPA - 8.72

2020 - 2022

VIVEKANANDA HIGHER SEC SCHOOL, NAMAKKAL

- Percentage - 89%

2016 - 2020

ST.JOSEPH'S GIRLS HIGHER SEC SCHOOL, DINDIGUL

- Percentage - 89%

TECHNICAL KNOWLEDGE

- Programming Languages : Java , SQL
- Web development : HTML, CSS, Javascript
- Tools : Git, GitHub, Canva, VSCode

PROJECTS

1. FarmXchain - Blockchain based Farm products traceability system

A blockchain-based system that ensures transparency, authenticity, and traceability of farm products from farm to consumer. The platform records each step in the supply chain on a secure, immutable blockchain ledger, allowing all stakeholders to verify product origin, handling, and delivery details.

Tools : React.js, Spring Boot, MySQL

2. Food waste reduction and redistribution system

A web platform that connects food donors with NGOs and individuals to reduce food waste and ensure surplus food reaches those in need. The system streamlines food donation, pickup scheduling, and tracking to promote a sustainable and impactful food distribution network.

Tools : React, Node.js, MySQL

INTERNSHIP EXPERIENCE

- Virtual Internship 6.0 - Infosys
- Fullstack Web Development - SDLC
- Artificial Intelligence and Machine Learning - Crescent Infotech

CERTIFICATIONS

- Cyber Security and Privacy - NPTEL
- Programming in Java - Infosys Springboard

SKILLS

- Problem-Solving
- Critical Thinking
- Teamworking
- Leadership
- Effective Communication
- Adaptability & Flexibility
- Time Management

LANGUAGES

- English
- Tamil
